### Health and Wellness Peer Education Program

[health.adelphi.edu/peers](http://health.adelphi.edu/peers)  
[peereducators@adelphi.edu](mailto:peereducators@adelphi.edu).

1. **Admission:** The first step in the process is to apply for admission to the university. This involves submitting an application form, transcripts, and standardized test scores (SAT or ACT).

2. **Orientation:** Once accepted, students attend orientation programs. These programs provide essential information about campus life, academic requirements, and available resources.

3. **Registration:** Students must register for their first semester of classes. This process involves selecting courses and paying tuition and fees.

4. **Academic Advising:** Many students work with academic advisors to help them choose courses and plan their degree path.

5. **Financial Aid:** Students may apply for various forms of financial aid, including scholarships, grants, and student loans.

6. **Living Arrangements:** Students must decide where they will live during their college years. Options include on-campus dormitories, off-campus apartments, or commuting from home.

7. **Health Insurance:** Students are required to have health insurance. The university offers a plan, but students may also choose to provide their own.

8. **Student Organizations:** Joining student organizations and clubs can help students build a community and explore their interests.

9. **Work-Study:** Some students work on campus through a work-study program to help cover their expenses.

10. **Graduation:** The final step is to complete all requirements for the degree and attend graduation ceremonies.

11. **Post-Graduation:** After graduation, students may pursue further education, enter the workforce, or take a gap year.
