How does the program work?

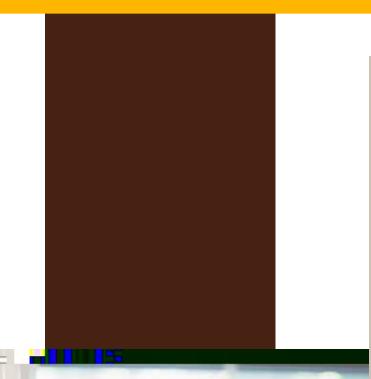

Think of our program as a launchpad: Once you learn how to navigate any special challenges that you face, you can discover new ways to do well and get ahead.

Others in this program have done well.

Think this program is right for you?

0_ / \

There are additional fees for the Learning Resource Program. These fees are for the personalized professional services that you use during a summer evaluation session and during the academic year. These will be added to the charges that you pay for tuition and, if you live on campus, room and board.

For more information, contact the Office of Student Financial Services at 1^3 .30 0 or visit 3^3 3^3 3^4
