

Date: May 20, 2021

Lot No: 20836

Reference #:

Account Name: Adelphi University

This statement certifies that applicable electronic media disposed of to IT Asset Management Group has been completely destroyed by a certified destruction process. It is further certified that materials were received by IT Asset Management Group; that they have not been excessively handled or tampered with by anyone.

IT Asset Management Group is responsible for the recycling and/or proper disposal of all equipment removed from the client's site and takes title of ownership of all assets retrieved. IT Asset Management Group shall indemnify and hold harmless the client and its affiliates from any loss, cost of response, or other liability arising from recycling or disposal of the products removed. No focus materials will end in a landfill or be illegally exported.

This service was performed in compliance with all local, state, and federal laws and also includes any and all U.S. Environmental Protection Agency regulations and guidelines, any environmental regulations issued by any applicable state agency, the Federal Comprehensive Environmental Response Compensation and Recovery Act (CERCLA), the federal Resource Conservation and Recovery Act (RCRA), and NYS Electronic Equipment Recycling and Reuse Act including any amendments to these authorities.

A handwritten signature in black ink, appearing to read 'Randy Prashad', is written in a cursive style.

Sincerely,

Randy Prashad
